

A woman with long brown hair, wearing a maroon beret, a long-sleeved maroon top, and wide-leg maroon trousers, is sitting on the stone steps of a building entrance. She is looking upwards and to the left. She holds a white handbag in her right hand. The building has a white arched doorway with the number '55' above it. Red flowers hang from the balcony above and the sides of the entrance. The background is a brick building.

Ana Gonçalves
